

CRANE FORKS

Features

Features of the crane forks:

- From 1500 - 3000 kg capacity
- Fully Self Levelling
- Adjustable Height and Forks

All our products are powder-painted with RAL color 7035. Hot-dip galvanized coating is also available on request. We meet all European Directives and ASME Standards.

Self-Leveling Crane Forks for Sale

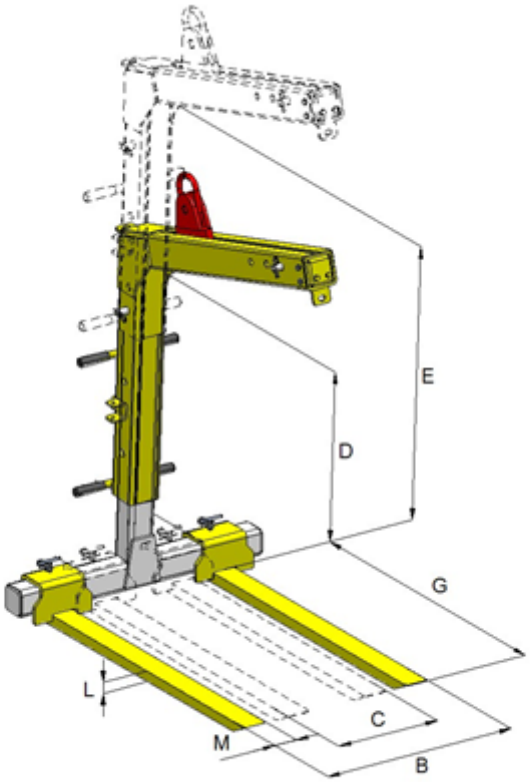

OVP **crane forks** — crane-mounted **pallet forks** — lift palletised loads from 1500 to 3000 kg directly from a crane hook. The **self-leveling crane forks** keep the load horizontal automatically, with adjustable fork height and width to suit different pallets and materials. Every set is **CE certified**, **Made in Italy** and load-tested before delivery. Browse the full lifting equipment catalog or request a quote for crane forks.
