

CRANE MAN BASKETS

Features

Features of our crane man baskets:

- For 2 or 4 people
- Fitted with handrail, access door, removable roof
- Test weight on request

All our products are powder-painted with RAL color 7035. Hot-dip galvanized coating is also available on request. We meet all European Directives and ASME Standards.

Crane Man Baskets for Sale

OVP Group supplies **crane man baskets** (personnel baskets and work platforms) for lifting one to four workers safely to height on tower cranes, mobile cranes and overhead cranes. Each **man basket for crane** lifting is built to **EN 14502** and the Machinery Directive 2006/42/EC, **CE certified** and **Made in Italy**, with full-height handrails, a self-closing access door, removable roof and anchor points for personal fall-arrest. Standard 2-person and 4-person models are stocked, with custom sizes on request.
